

# Three Reasons Why You Were Given Top Priority to Be Vaccinated Against COVID-19

**1** People in our community are at high risk of being exposed to COVID-19.

**2** Protecting you also helps protect your friends and family, especially those who may be at higher risk for severe illness from COVID-19.

**3** You matter. And you play an essential role in keeping your community healthy.

## Lead the way!

Encourage your family and friends to get vaccinated.

The Moderna vaccine is for people age 18 years and older, should receive 2 doses at least 28 days apart.

The Pfizer vaccine is for people 16 years or older, should receive 2 doses at least 21 days apart.

The Johnson & Johnson vaccine is for people age 18 years and older, and only 1 dose is needed.
