

# ROLL UP YOUR SLEEVE & GET THE VACCINE

It has been proven **SAFE** and **EFFECTIVE** against **COVID-19**.

- Building defenses against COVID-19 in this building is a team effort. And **YOU** are a key part of that defense.
- Getting the vaccine adds one more layer of protection for you, your coworkers, clients, and family.
- There have been no shortcuts in the vaccine development process.

*Roll up your sleeve*

**Get vaccinated.**

**Tell others why & encourage them to get vaccinated too.**

The Moderna vaccine is for people age 18 years and older, should receive 2 doses at least 28 days apart.  
The Pfizer vaccine is for people 16 years or older, should receive 2 doses at least 21 days apart.  
The Johnson & Johnson vaccine is for people age 18 years and older, and only 1 dose is needed.
