Community Shelter Board will lead Columbus' and Franklin County's annual count of the area's sheltered and unsheltered homeless populations, including adults, youth, and children. Community Shelter Board leads a coordinated, community effort to make sure everyone has a place to call home. We bring together 20 agencies across the community to work together as a cohesive system for change, driving effective strategy and productive collaboration to achieve the best outcomes for people facing homelessness. With the support of a compassionate community, our system of care served 13,000 people last year with homelessness prevention, shelter, street outreach, rapid re-housing, and permanent supportive housing. Community Shelter Board is funded by the City of Columbus, the Franklin County Board of Commissioners, the United Way of Central Ohio, The Columbus Foundation, Nationwide Foundation, American Electric Power Foundation, the U.S. Department of Housing and Urban Development, the State of Ohio, and many other public and private investors.
