

EXECUTIVE OFFICE OF THE PRESIDENT
OFFICE OF MANAGEMENT AND BUDGET
WASHINGTON, D.C. 20503

In implementing President Trump's Executive Orders, OMB issued guidance requesting that agencies temporarily pause, to the extent permitted by law, grant, loan or federal financial assistance programs that are implicated by the President's Executive Orders.

Any program not implicated by the President's Executive Orders is not subject to the pause.

The Executive Orders listed in the guidance are:

Protecting the American People Against Invasion

Reevaluating and Realigning United States Foreign Aid

Putting America First in International Environmental Agreements

Unleashing American Energy

Ending Radical and Wasteful Government DEI Programs and Preferencing

Defending Women from Gender Ideology Extremism and Restoring Biological Truth to the Federal Government

Enforcing the Hyde Amendment

Any program that provides direct benefits to individuals is not subject to the pause.

The guidance establishes a process for agencies to work with OMB to determine quickly whether any program is inconsistent with the President's Executive Orders. A pause could be as short as day. In fact, OMB has worked with agencies and has already approved many programs to continue even before the pause has gone into effect.

Any payment required by law to be paid will be paid without interruption or delay.

Q: Is this a freeze on all Federal financial assistance?

A: No, the pause does not apply across-the-board. It is expressly limited to programs, projects, and activities implicated by the President's Executive Orders, such as ending DEI, the green new deal, and funding nongovernmental organizations that undermine the national interest.

Q: Is this a freeze on benefits to Americans like SNAP or student loans?

A: No, any program that provides direct benefits to Americans is explicitly excluded from the pause and exempted from this review process. In addition to Social Security and Medicare, already explicitly excluded in the guidance, mandatory programs like Medicaid and SNAP will continue without pause.

Funds for small businesses, farmers, Pell grants, Head Start, rental assistance, and other similar programs will not be paused. If agencies are concerned that these programs may implicate the President's Executive Orders, they should consult OMB to begin to unwind these objectionable policies without a pause in the payments.

Q: Is the pause of federal financial assistance an impoundment?

A: No, it is not an impoundment under the Impoundment Control Act. It is a temporary pause to give agencies time to ensure that financial assistance conforms to the policies set out in the President's Executive Orders, to the extent permitted by law.

Temporary pauses are a necessary part of program implementation that have been ordered by past presidents to ensure that programs are being executed and funds spent in accordance with a new President's policies and do not constitute impoundments.

Q: Why was this pause necessary?

A: To act as faithful stewards of taxpayer money, new administrations must review federal programs to ensure that they are being executed in accordance with the law and the new President's policies.

MEMORANDUM FOR HEADS OF EXECUTIVE DEPARTMENTS AND AGENCIES

FROM: Matthew J. Vaeth, Acting Director, Office of Management and Budget 

SUBJECT: Temporary Pause of Agency Grant, Loan, and Other Financial Assistance Programs

The American people elected Donald J. Trump to be President of the United States and gave him a mandate to increase the impact of every federal taxpayer dollar. In Fiscal Year 2024, of the nearly \$10 trillion that the Federal Government spent, more than \$3 trillion was Federal financial assistance, such as grants and loans. Career and political appointees in the Executive Branch have a duty to align Federal spending and action with the will of the American people as expressed through Presidential priorities. Financial assistance should be dedicated to advancing Administration priorities, focusing taxpayer dollars to advance a stronger and safer America, eliminating the financial burden of inflation for citizens, unleashing American energy and manufacturing, ending “wokeness” and the weaponization of government, promoting efficiency in government, and Making America Healthy Again. The use of Federal resources to advance Marxist equity, transgenderism, and green new deal social engineering policies is a waste of taxpayer dollars that does not improve the day-to-day lives of those we serve.

This memorandum requires Federal agencies to identify and review all Federal financial assistance¹ programs and supporting activities consistent with the President’s policies and requirements.² For example, during the initial days of his Administration, President Donald J. Trump issued a series of executive orders to protect the American people and safeguard valuable taxpayer resources, including *Protecting the American People Against Invasion* (Jan. 20, 2025), *Reevaluating and Realigning United States Foreign Aid* (Jan. 20, 2025), *Putting America First in International Environmental Agreements* (Jan. 20, 2025), *Unleashing American Energy* (Jan. 20, 2025), *Ending Radical and Wasteful Government DEI Programs and Preferencing* (Jan. 20,

¹ 2 CFR 200.1 defines Federal financial assistance to mean “[a]ssistance that recipients or subrecipients receive or administer” in various forms, but this term does not include assistance provided directly to individuals. For the purposes of this memorandum, Federal financial assistance includes: (i) all forms of assistance listed in paragraphs (1) and (2) of the definition of this term at 2 CFR 200.1; and (ii) assistance received or administered by recipients or subrecipients of any type except for assistance received directly by individuals.

² Nothing in this memo should be construed to impact Medicare or Social Security benefits.

2025), *Defending Women from Gender Ideology Extremism and Restoring Biological Truth to the Federal Government* (Jan. 20, 2025), and *Enforcing the Hyde Amendment* (Jan. 24, 2025). These executive orders ensure that Federal funds are used to support hardworking American families.

To implement these orders, each agency must complete a comprehensive analysis of all of their Federal financial assistance programs to identify programs, projects, and activities that may be implicated by any of the President's executive orders. In the interim, to the extent permissible under applicable law, Federal agencies **must temporarily pause** all activities related to obligation or disbursement of all Federal financial assistance, and other relevant agency activities that may be implicated by the executive orders, including, but not limited to, financial assistance for foreign aid, nongovernmental organizations, DEI, woke gender ideology, and the green new deal.

This temporary pause will provide the Administration time to review agency programs and determine the best uses of the funding for those programs consistent with the law and the President's priorities. The temporary pause will become effective on January 28, 2025, at 5:00 PM. Even before completing their comprehensive analysis, Federal agencies must immediately identify any legally mandated actions or deadlines for assistance programs arising while the pause remains in effect. Federal agencies must report this information to OMB along with an analysis of the requirement. OMB also directs Federal agencies to pause all activities associated with open NOFOs, such as conducting merit review panels.

No later than February 10, 2025, agencies shall submit to OMB detailed information on any programs, projects or activities subject to this pause. Each agency must pause: (i) issuance of new awards; (ii) disbursement of Federal funds under all open awards; and (iii) other relevant agency actions that may be implicated by the executive orders, to the extent permissible by law, until OMB has reviewed and provided guidance to your agency with respect to the information submitted.

OMB may grant exceptions allowing Federal agencies to issue new awards or take other actions on a case-by-case basis. To the extent required by law, Federal agencies may continue taking certain administrative actions, such as closeout of Federal awards (2 CFR 200.344), or recording obligations expressly required by law.

Additionally, agencies must, for each Federal financial assistance program: (i) assign responsibility and oversight to a senior political appointee to ensure Federal financial assistance conforms to Administration priorities; (ii) review currently pending Federal financial assistance announcements to ensure Administration priorities are addressed, and, subject to program statutory authority, modify unpublished Federal financial assistance announcements, withdraw any announcements already published, and, to the extent permissible by law, cancel awards already awarded that are in conflict with Administration priorities, and; (iii) ensure adequate oversight of Federal financial assistance programs and initiate investigations when warranted to identify underperforming recipients, and address identified issues up to and including cancellation of awards.
